

CPRA & COSA Present Trending Topics Lunch and Learn

Homelessness in the Park

Responding to behaviors you encounter in parks and facilities can challenge any professional. Discussing housing options, correctly handling dangerous materials and maintaining clean facilities that are misused can push resources to the limit. This panel will share their experiences and help you better understand your role in responding.

Panelists include professionals from Cherry Creek State Park, Boulder County, Denver Parks and Recreation and the City of Boulder.

November 30, 2017, 11am-2pm
Adams County Government Center
Platte River B & C
4430 S Adams County Pkwy, Brighton, CO 80601
