About Us:

Mile High Youth Corps is a regional, non-profit, AmeriCorps (www.americorps.gov) affiliated organization that engages youth in jobs that help the planet and provide pathways to a promising future. Corpsmembers work on conservation and environmental stewardship projects throughout the Denver Metro Area while engaging in meaningful education activities.

Position Overview:

Mile High Youth Corps Crew Leader positions require individuals who are skilled problem-solvers, experienced leaders and positive role models. A crew is comprised of ten Corpsmembers (18-24 years old) who work together to complete work projects on public lands and in communities.. Crew Leaders must possess a strong work ethic, promote high quality work performance in their crew and have a desire to devote themselves to field-based youth development for an entire summer. The position requires both supervisory and technical aptitude, in addition to a high level of comfort in the outdoors.

Duties and Responsibilities:

Supervision and Management

- Provides daily supervision of the members of their crew including assigning, leading and instructing work tasks and training Corpsmembers in the development of job skills.
- Monitors and promote crew's physical and emotional safety on and off the work site.
- Maintains and promotes positive group morale.

- Enforces and models behavior outlined in the code of conduct, discipline policies and program procedures outlined in the employee handbooks at all times.
- Provides consistent, ongoing informal feedback, as well as performs a minimum of one formal evaluation per Corpsmember each season.

Work Project Implementation

- Assists MHYC staff with the set-up of work projects including the estimation of time and materials needed for work projects.
- Proactively assesses, identifies and mitigates safety related hazards on the job site.
- Oversees and implements a variety of conservation, service learning and community service projects for their team.
- Distributes work among Corpsmembers and maintains even work flow.
- Serves as a liaison and on-site contact with project sponsors.
- Ensures timely, accurate and quality completion of work projects.

Corpsmember Development and Education

- Promotes individual learning, leadership and personal growth among Corpsmembers.
- Plans and facilitates crew meetings and team-building activities.
- Ensures consistent leadership development and service learning opportunities are integrated into trainings.
- Implements and monitors Corpsmembers' participation and progress in life skills and career readiness training programs at work site.
- Provides consistent feedback and support to Assistant Crew Leaders on their leadership roles.
- Collaborates with Assistant Crew Leaders in developing and implementing educational components for projects.

Administrative Duties

- Monitors, documents, and evaluates the participant progress in the program using individual written evaluations, case notes and 1:1 meetings.
- Maintains thorough and complete records on each Corpsmember throughout the length of the program, including timesheets, rosters and daily accountability forms.
- Maintains complete and accurate records for each project.
- Assists other staff with the reporting required for funders and board members.
- Ensures project photographs and required data are collected for projects.
- Ensures timely completion of Corpsmember awards, incentives and recognitions.
- Other duties as assigned.

General Qualifications:

- Previous experience working with Youth Corps is highly preferred.
- Experience with trail construction and maintenance, installation of rock and timber structures, fencing, noxious weed removal, pesticide application and/or general landscaping is preferred.
- Sawyer crew leaders should have significant experience working with chainsaws. S-212, MTDC or Game of Logging training with feller certificate required.
- Proficiency in backpacking and backcountry camping required for camping crews.
- High School diploma or GED required. At least two years of college or vocational training is preferred. Significant professional experience may be substituted for post-secondary education.

- At least one year experience of working with a diverse population of youth and staff in a team atmosphere is preferred.
- Must complete Wilderness First Aid or Wilderness First Responder training course prior to start date. MHYC will cover \$235 of training cost.
- Must complete CPR training prior to start date. MHYC will cover \$40 of training cost.
- Communication Skills: ability to motivate and discipline others, organize and direct a crew of young people on work projects, communicate effectively with a diverse group of young people, co-workers and supervisors and explain and demonstrate safe work practices.
- Must have ability to complete tasks in a detailed and timely manner, work independently, keep accurate records, prepare reports and perform case management and evaluations.
- Must be able to lift 75 lbs., spend 8-10 hours a day in the sun, hike 5 miles with a day-pack and operate hand and power tools.
- Must have valid driver's license with insurable driving record and ability to drive a 12-passenger van to and from work sites.
- Pre-employment background check will be required. May be subject to FBI Background Check, which includes fingerprinting.
- Pre-employment drug screen required. Drug testing may be required during employment.
- Must be able to legally work in the United States, which will be verified via the federal E-Verify program.
