

PLT Virtual Workshop

PLT provides teachers, parents, youth group leaders, foresters, and community members with fun and engaging, activities and training to take children outside to learn about trees, forests, and the broader environment

- This workshop is for formal and informal educators
- PLT's interactive activities use the forest as a window to a wide range of environmental topics.
- PLT activities can be used inside or outside by anyone who interacts with children!
- PLT is interdisciplinary—it is not just science!
- In this virtual workshop you will connect with fellow educators and receive proven activities and resources to use in your educational programming
- Optional .5 CSM Continuing Education Credit available
