Job Summary

Work in small teams to remove sections of lawn at private homes using a sod cutter, hand tools and dump trailer.

Position Description

Are you looking for a fun outdoor job this summer? Want to get paid to work outside? Join Resource Central as a full or part-time Lawn Removal Landscaping Crew Member!

Each day, you'll be assigned to a three-person Lawn Removal Crew. You'll start at 8:00am by meeting at a new jobsite and discussing the day's projects with your fellow crew members. After that, you'll use a sod cutter and hand tools to cut and remove sections of lawn so that homeowners can plant new low-water gardens. You'll also lift and load the material you remove into a dump trailer for disposal.

All Crew Members must be reliable, on-time, and ready to work hard each day! Experience in landscaping or sustainability is a bonus but not required.

Hours can vary and range from three to six days per week. Start and end dates are also flexible. Paid training starts April 25, 2022 with the opportunity to work full or part-time through September.

Location

We seek to hire Crew Members who reside within our four main service regions: Northern Colorado, Boulder County, Denver Metro, and South Denver. The majority of job sites will be less than 30 miles from where you live. Longer commutes and overnight stays may be occasionally required for some Crew Members; a travel stipend and individual hotel accommodations will be provided for overnight travel.

Other Requirements

- Must be at least 18 years of age and pass a background check
- Must have a valid driver's license, daily access to a vehicle, automobile insurance, and a smartphone. Significant travel by personal vehicle is required and will be reimbursed
