

Leading the CWPP Process

Over two days, you will learn how to lead your Colorado community through a CWPP process and leave with templates and individual coaching.

MARCH 20-21, 2023
Fort Collins, CO
\$450/participant

Participants will learn about:

- Mapping the process of CWPP development
- Assessing local risk with everyday tools
- Gathering community input
- Prioritizing treatments with partners
- Creating and implementing an action plan

Participants will receive:

- Ready-to-use CWPP document template
- Three hours of individual coaching after the class
- Community assessment, survey, and outreach templates
- Tools for decision making and facilitating
