

ARAPAHOE COUNTY

**Arapahoe County
Open Spaces Director**

SALARY	\$4,726.88 - \$7,566.73 Biweekly \$122,899.00 - \$196,735.00 Annually	LOCATION	80112, CO
JOB TYPE	Full-time	JOB NUMBER	05495
DEPARTMENT	Open Space	OPENING DATE	08/25/2023
CLOSING DATE	9/25/2023 11:59 PM Mountain		

Description

The Open Spaces Director is accountable for the administration of effective Open Spaces programs and strategies. Responsible for providing consultative and project-oriented support, planning, and problem solving to the Arapahoe County Board of County Commissioners (BOCC), the Open Spaces and Trails Advisory Board (OSTAB), the County Fairground Steering Committee, CSU Extension, other County departments, Community Groups and coalitions, and ensuring County compliance with citizen mandates in regard to Open Spaces.

Note:

- The salary range for this position is \$122,899 (minimum) to \$159,817 (midpoint) to \$196,735 (maximum).
- The anticipated hiring rate for a candidate with 15 plus years of experience is \$160,000, dependent on candidate qualifications.

Duties

Operational Oversight

- Manages the Open Spaces program, Heritage Properties, Fairgrounds and Fair, Recreation District management. Advises the County on the most effective and efficient operation of an Open Spaces program, recreation district, county fair, heritage district, and other park and recreation functions. Provides overall leadership for facilitating the development and management of short-term and long-term goals, objectives, strategies and core values for Arapahoe County rural Parks, Open Lands, Trails, and Fairgrounds.

Fund Management

- Responsible for the preparation and monitoring of the Open Spaces fund with its discreet areas, the Recreation District funds, the County Fair, the Arapahoe County Conservation Trust funds as well as the County’s Cash in Lieu funds. Leads and/or participates in cross functional teams and working groups on planning for investments for parks and Open Spaces including trail master planning and assists in securing trail and park construction funding through grant writing and building partnerships. Oversees grant applications and assist with implementation, reimbursement, and closeout. Coordinates with foundations and trusts to maximize Open Spaces funds.

Resource Management

- Conducts and reviews resource inventories and identifies aspects of development that will have a significant impact on natural resources. Design natural resources management plans based on scientific and biological principles.

Leads County initiatives to protect and enhance regional assets, such as river corridors, with a variety of governmental and non-governmental entities. Identifies and investigates potential Open Spaces land acquisitions in conjunction with the Advisory Committee. Coordinates with County municipalities on master plans to establish Open Spaces priorities in conjunction with the County Open Spaces program. Interacts with private property owners to ensure compatibility between public and private land uses. Participates in yearly audit.

Policy and Procedure Oversight

- Develops and recommends policy and procedure for development, maintenance, and management of Arapahoe County Open Spaces lands. Monitors maintenance management plans on County owned land and conservation easements. Ensures the entire Open Spaces program follows County administrative policies and procedures.

Prepares and manages the annual Open Spaces budget. Monitors purchase orders, requisitions, and contracts. Performs project management and budget tracking of projects.

Performs supervisory functions including work assignment, training, performance evaluation, and employee issue resolution. Exercises discretion with all personnel issues and other sensitive Department information.

When assigned through the direction of the BoCC, will coordinate and/or facilitate Countywide projects or activities that involve multiple departments, offices and/or agencies.

Actively participate as a member of the E-team to develop partnerships, collaborate, and develop and identify opportunities to increase organizational effectiveness.

Skills, Abilities and Competencies:

Leadership: Clearly sets expectations and delegates tasks and responsibilities, provides challenging assignments, holds development and performance discussions, motivates and coaches employees in development opportunities, fosters and supports open dialogue and differing opinions/perspectives. Able to put individuals in environments where they can be successful.

Relationship Building and Influence: Ability to quickly build effective and mutually respectful relationships with people from various backgrounds and personality styles. Uses diplomacy, tact and respect when communicating with individuals, especially during conflict or high tension situations. Collaborates with peers to find common ground to solve problems and easily gains trust and support.

Service Oriented: Dedicated to meeting the expectations of internal and external customers. Responds in timely and thorough manner, prioritizes needs, and ensures customer satisfaction at all times.

Ideation: Enjoys problem solving especially like solving organizational problems. Frequently anticipates what is going to happen and provides strategic options/solutions.

Focus: Able to select a direction, maintain that direction, and/or make corrections as necessary. Is goal-oriented by setting objectives and measuring progress toward those goals. Demonstrates determination in achieving goals to bring about appropriate change. Able to perform complex analysis in the achievement of goals.

Behavioral Competencies (these are required for all positions at ACG):

Accountability

Accessibility

Inclusivity

Integrity
