STUDENT INTERN POSITION (PART-TIME) ENVIRONMENTAL INTERN \$22.00 PER HOUR

Description:

This is a part-time, temporary position as an Environmental Intern with the Mile High Flood District (MHFD). MHFD is offering a highly educational and rewarding experience for a student with a keen interest in gaining practical experience in natural resources management activities in the broader Denver metropolitan area. The hours and schedule are flexible (within traditional business hours). You will work from 20 to 25 hours per week when school is in session and up to 40 hours per week during summer, winter and spring vacations. We will accommodate reasonable personal time-off requests.

Duties and Responsibilities:

- Assist with annual herbicide application and vegetation management contracts and other contracts as needed.
- Assist with mapping and monitoring vegetation communities.
- Inspect ongoing vegetation and stream management work and other small restoration activities.
- Conduct routine maintenance inspections and other work along streams in Boulder County.
- Effectively work with citizens, contractors and local government agencies.
- General office assistance and other duties as assigned.

Minimum Qualifications:

- Undergraduate or graduate student in Biological Sciences focused on natural resources management, botany, restoration ecology, or similar field
- Full-time student with graduation at least 18 months away (18 month minimum commitment to this internship)
- Must own or have access to automobile with valid Colorado driver's license and valid automobile insurance
- Satisfactory completion of background investigation (including motor vehicle and criminal investigation)

Availability and Salary:

- Immediate Opening
- Starting compensation rate: \$22.00 / hour
- Mileage reimbursement
- Application Closing Date: Until filled
