

JEFFERSON COUNTY OPEN SPACE SMALL RESEARCH GRANTS PROGRAM

Jefferson County Open Space (JCOS) is pleased to offer Small Research Grants to qualified individuals or groups to conduct applied studies on JCOS lands. The goal of this program is to provide valuable data to JCOS and preference for funding will be given to proposals that address priority research topics. For detailed information about the grant opportunity, including priority research topics, please visit 2024 [Jeffco Open Space Small Grant Announcement](#). Applications must include this [Cover Sheet](#).

Awards will range from \$10,000 to \$15,000 but smaller proposals will be considered.

The proposal deadline is Tuesday, January 16, 2024. You are encouraged to contact JCOS staff at OSSRgrants@jeffco.us to discuss potential ideas and proposals prior to submission.
