ABOUT THE eeCORPS

AmeriCorps

AmeriCorps is a network of national service programs through which members commit their time and efforts to addressing a variety of critical community needs.

AmeriCorps members serving with the eeCorps dedicate their service to advancing Colorado's Environmental Education Plan and increasing environmental literacy in PreK-12 students throughout the state.

Members receive a living allowance and ample opportunity for professional development and networking throughout their term, and an education award upon successful completion.

Where will the eeCorps take you?

Members serving with the eeCorps are hosted by these organizations:
