## Muller State Park Visitor Center

Sponsored by Colorado Parks and Wildlife (CPW) and Colorado Association for Environmental Education (CAEE)

Join us for a Professional Development Workshop that provides materials and hands on practice with Project Learning Tree's: *Trees and Me* and Project Wild's: *Growing Up Wild*

These innovative programs are designed to allow young children (ages 3 - 7) to explore, discover, and communicate in expressive ways by integrating nature-based music and movement, literature, art, math, and outdoor play.

Participants receive the complete activity guide for each program, lots of make and takes, detailed instruction for adapting to individual settings, a workshop completion certificate showing 4 hours of training for each session and fun giveaways.

Colorado School of Mines .5 continuing education credit will be available at an additional cost.

Project Learning Tree is a program of the Sustainable Forestry Initiative and Colorado State Forest Service

Project Wild is a program of the Association of Fish and Wildlife Agencies and Colorado Parks and Wildlife
